

Acumen 

REVOLUTIONARY INSIGHTS ENABLING PROACTIVE DECISION-MAKING

Acumen, a market-leading analytics solution from AdvantageGo, provides deep and sophisticated analysis across the whole (re)insurance value chain. It does this by turning structured and unstructured

complex data into valuable visualisations and insights that drive you towards a high quality and profitable portfolio. Our powerful, real-time contextual analytics help you to be proactive, and not only reactive.

Revolutionising
Insurance Software

Advantage ™

FEATURES:

- ▶ Underwriting dashboard showing new business analysis, renewal analysis, predicted premium, premium assessment by geography and broker, and performance analytics
- ▶ Operational dashboard showing lost and rejected submissions by reason, workflow trend analysis, and user-level actions analysis
- ▶ Catastrophe modelling analytics
- ▶ Aggregation modelling analytics
- ▶ Claims dashboard
- ▶ Broker performance dashboard
- ▶ Workflows to support Solvency II and other compliance requirements
- ▶ Premium calculation and forecasting to support financial reporting

BENEFITS:

- ▶ Analytics that help you to be proactive, and not only reactive
- ▶ Tap into powerful, deep and personalised analytics with end-to-end intelligence for your entire organisation
- ▶ Improve your control and management with valuable insight, intelligently acquired and organised from both structured and unstructured complex data
- ▶ Confidently make better, more effective decisions with contextual analytics and user-defined dashboards
- ▶ Rapidly identify and capitalise on new opportunities with real-time contextual analytics

THE PERFECT PRODUCT FOR ALL PROACTIVE INSURANCE PROFESSIONALS

How you mine, interpret and transform your data into relevant and actionable information is what will ultimately set you apart. Powerful data analytics is the key to you writing better business, to proactively

managing your losses and ultimately providing your customers with a better experience. Interested in finding out how you can turn your biggest asset into valuable insight?

ANIITA - THE REVOLUTIONARY DIGITAL ASSISTANT

By combining Acumen with Aniita, you can access (re)insurance data and insights like never before. AdvantageGo's revolutionary digital assistant Aniita means that for the first time, you have swift and accurate access to business-critical information. Wherever you are, you can easily access Aniita's powerful curated insights by chatting with Aniita using your

Smartphone or Amazon's Alexa. Aniita connects to any policy administration, exposure management or third-party system as well as sourcing data from IoT and advanced machine learning, swiftly augmenting insights within seconds. Natural and responsive conversations and answers - when you need them.
